## Hope Funds for Cancer Research

**The Inspiration:** In 2006 a group of philanthropists, scientists, and business and pharmaceutical executives formed the Hope Funds for Cancer Research, an organization dedicated to finding innovative treatments for rare forms of cancer. Last year marked the charity's second annual gala.

**The Venue:** Marble House, the Newport landmark that William K. Vanderbilt erected as a summer home in 1892.

**The Program:** An awards presentation for four honorees, dinner, and dancing to music by the Bob Hardwick Sound. **The**

**Results:** More than \$200,000 was raised for postdoctoral fellowships in cancer research.
